To whom it may concern;

I have had the privilege of having Melissa Cottrill perform accounting services for multiple companies that I own and have owned. I have always found her to be extremely focused and driven to perform positive results. Her accuracy and attention to details have made me feel completely comfortable in knowing that the accounting side of my businesses is in good hands so I can focus on obtaining new opportunities.

Melissa's ability to help me understand complicated issues and plan a positive business path enables the continued success of my business interests. She can simplify what seems difficult so I can utilize my time more efficiently.

I am sure that Melissa would be an asset to your business. If you require any additional information, please contact me directly. My business relationship with her has only been enjoyable and positive.

Sincerely,
